

Lake Region Fiber Auto Bank Draft

Lake Region Fiber offers you a simple way of paying your monthly bill with "Auto Bank Draft". This service offers a worry free customer convenience, saving you time in writing and mailing checks.

HERE'S HOW IT WORKS: Your Lake Region Fiber statement(s) you receive each month will show the net amount that will be deducted from your bank account or charged to your credit/debit card and the date the deduction/charge will take place. The date of the deduction/charge is the due date of your bill. Your bank/credit card statement will reflect the payment and the date the payment was debited from your checking account or charged to your credit card.

To sign up for the service, please fill out the form below and mail it to: Lake Region Electric Cooperative, PO Box 127, Hulbert OK 74441

If you choose the automatic deduction from your checking/savings account please attach a voided check or a copy of a voided check to ensure we have the correct bank routing number. If you choose to pay via credit card, it must be a Visa or Master Card.

Your bill statement will indicate the date your "Auto Bank Draft" will become effective. If you have any questions please call us at 918-772-2526.
